

KUNAL GOGOI

M O T I O N / G R A P H I C D E S I G N E R

Welcome to my Resume! My name is Kunal Gogoi and I am a passionate graphic design student with a love for exploring new creative avenues. I specialize in using software such as Photoshop, Illustrator, InDesign, Premiere Pro, Blender, and Figma to create stunning visuals that convey a message and capture the imagination. My work is driven by my love for learning and experimenting with new techniques, and I am constantly on the lookout for new challenges and opportunities to showcase my skills. With my strong background in design and my diverse skillset, I am confident that I can deliver exceptional results for any project. Browse through my portfolio to see some of my latest work and get a sense of what I can bring to your next project.
